Re: North Shore Road, Town of Sumner

Gentlemen:

I am the municipal attorney for the Town of Sumner and have been handed the "North Shore Road" dilemma for collections. I understand that North Shore Road was damaged as part of the Rock Koshkonong Lake District project. The Town also has in its possession, both pre and post construction inspection photographs.

Finally, Section 86.02 of the Wisconsin Statutes allows for treble damages against anyone damaging a roadway.

As such, I am providing you with notice of my involvement and request that you discuss this issue amongst yourselves and make a reasonable offer to resolve the same. You should already have the damage estimate. Treble damages would entitle the Town to \$33,900.

If I do not hear from you on or before Friday, August 23, 2013, I will proceed accordingly.

**THIS LETTER IS AN ATTEMPT TO COLLECT A DEBT. ANY INFORMATION
OBTAINED WILL BE USED FOR THAT PURPOSE.**

THIS LETTER DEMANDS YOUR IMMEDIATE ATTENTION.

Very Truly Yours,
