Re: Funding Availability for Lake Koshkonong/Mud Lake shoreline protection and wetland restoration project

Dear Ms. Graham.:

I am the Treasurer of the Rock-Koshkonong Lake District (RKLD). This letter is written to confirm that the District has authorized an application for a lake management grant to construct a breakwater and restore wetlands as described in the District's May 1, 2012 application. At the District's July 30, 2011 Annual Meeting, the electors and property owners approved the project and authorized the use of the District's nonlapsible Lake Protection Fund for this purpose. The nonlapsible fund has a current balance exceeding the District's cost of the project.

Please contact me if you have any questions or require further information in connection with this letter.

Please contact me with any questions.

Sincerely

Ray Lunder
Treasurer
Rock-Koshkonong Lake District
