Dear Brian,

I would like to thank you and all the officers of the Rock Koshkonong Lake District for all your support and help. Supporting the Rock River Safety Patrol provides boating safety to all the residents of the RKLD as well as all other users of our waterways. The RKLD contribution of \$2,000.00 will help the RRSP provided services to the boating public.

I am looking forward to working with you and the dedicated officers of the RKLD for years to come.

Sincerely,

Captain Henry Sautin
