

Axley
Attorneys Since 1885

Previously sent you a letter dated September 16, 2013, a copy of which is enclosed, pointing out an open records violation by the Rock Koshkonong Lake District. We asked for your assistance in enforcing the Wisconsin Open Records law.

As of this date, we have received a telephone call from a representative of the Attorney General's office who indicated that he would contact the District and get back in touch. As of this date, we have not received a further response from anyone.

We recognize that the towns where the District is located, have the ability to seek enforcement of the Open Records Provision, under Sec. 19.37, Wis. Stats. However, that is time-consuming and expensive. We had hoped that by virtue of your respective positions, you could exert some pressure upon the District to comply, short of litigation.

Please review and advise.

Sincerely,

AXLEY BRYNELSON, LLP
