Subject: In the Matter of the Review of the Water Level Decision for Lake Koshkonong and the Indianford Dam on the Rock River in Rock County, Wisconsin- Case No. 3-SC-2003-28-3100LR

Dear Judge Coleman:

Attached please find the Department of Natural Resources List of Expert Witnesses in the above entitled matter.

I have placed copies in the mail to all of the parties listed on the Preliminary Scheduling Order as shown in the attached Preliminary Mailing List. I am also sending a PDF file of these documents to those on the e-mail list today.

I have included two experts on the issues related to wildlife and endangered species. We will only call one witness (Charles Killian or Doug Pfendry) on the wildlife issues. We are still trying to resolve scheduling issues. I may also only call one witness, Robert Hay, on endangered resource issues. We have not entirely resolved that at this time.

Please call me at 608-266-2177 if you have any questions.

Sincerely,

Michael Cain
Staff Attorney
