# Lake Levels

Today's lake level is at the **DNR Summer Max**! The DNR operating order mandates the lake is still TOO HIGH. We'd like to document how the shoreline looks right now.

Please take a photo of your shoreline and send it to info@rkld.org - include your name and address as well. Your photo may be used in a presentation at the Annual Meeting on August 8, or may be used at a later time by RKLD. Thank you in advance for your assistance!

# Annual Meeting Reminder - Saturday, August 8

8:30am Registration, 9:00am Program
Fort Atkinson High School Gymnasium
2015 Annual Meeting Agenda
2016 Budget for Review
