Project Title / Scope of Work

The FERC will produce two deliverables through this Agreement. (1) The FERC will conduct an onsite survey of boaters on Lake Koshkonong. Boaters will be surveyed on 05/24/2014, 05/25/2014, 07/04/2014, 07/05/2014, and one additional weekend in June. The FERC will also interview businesses around the lake regarding the impact it has on their businesses. (2) The FERC will develop a hedonic analysis of the value of the lake relative to the lowering of the water level.

A draft report will be provided to the client by 07/15/2014. The final report will be provided by 08/15/2014. If additional revisions are required by the Department of Natural Resources, the final version will be provided by 09/01/2014. Dr. Kashian will also present at the Annual Meeting on 08/16/2014.

TERMS AND CONDITIONS

1) Client hereby awards a cost reimbursable contract, as described above, to FERC for services described above and/or as specified in Attachment 2. In its performance of project, FERC shall be an independent entity and not an employee or agent of Client.

2) Client shall pay 50% of the contract within ten business days of signature and the remaining 50% upon submission of the final report. All invoices shall be submitted using FERC's standard invoice, but at a minimum shall include contract/payment amount, account number/reference, and certification as to truth and accuracy of invoice. Invoices and questions concerning invoice receipt or payments should be directed to the appropriate party's Financial Contact, as shown in Attachment 1.

3) A final statement of cumulative costs incurred, including cost sharing, marked "FINAL," must be submitted to Client's Financial Contact NOT LATER THAN sixty (60) days after project end date. The final statement of costs shall constitute FERC's final financial report and the termination of the fee-for-service/project agreement.

4) All payments shall be considered provisional and subject to adjustment within the total estimated cost, in the event such adjustment is necessary.

5) Matters concerning the technical performance of this project agreement should be directed to the appropriate party's Project Director, as shown in Attachment 1.

6) Matters concerning the request or negotiation of any changes in the terms, conditions, or amounts cited in this agreement should be directed to the appropriate party's Administrative Contact, as shown in Attachment 1. Any such changes made to this agreement require the written approval of each party's Authorized Official, as shown in Attachment 1.

7) Each party shall be responsible for its negligent acts or omissions and the negligent acts or omissions of its employees, officers, or directors, to the extent allowed by law.

8) Either party may terminate this agreement with thirty days written notice to the appropriate party's Administrative Contact, as shown in Attachment 1. Client shall pay FERC for all allowable, noncancellable obligations in the event of termination.

9) No-cost extensions or changes in the scope of work require the approval of the Client and FERC. Any requests for a no-cost extension should be addressed to and received by the Administrative Contact, as shown in Attachment 1, prior to the desired effective date of the requested change.

10) The Agreement is subject to the terms and conditions of the Prime Award (if applicable) and other special terms and conditions, as identified in Attachment 3.

11) Client does not support indirect cost reimbursement as dictated by its grant/contract policy.

12) FERC hereby agrees to indemnify and hold harmless Client from any and all claims or liability that may arise out of or on account of any failure on the part of FERC to perform any service or duty as herein agreed. Client hereby agrees to indemnify and hold harmless FERC from any and all claims or liability that may arise out of or on account of any service or duty as herein agreed.
