TOWN OF KOSHKONONG

July 11, 2013

Mr. Timothy Fenner
Axley Brynelson, LLP
PO Box 1767
Madison, WI 53701

Re: 2013 Bill

Dear Tim:

The Town of Koshkonong is part of the Rock River Safety Patrol Commission that provides water patrols and law enforcement on the Rock River and Lake Koshkonong. There are a total of 5 towns that belong to this membership; Town of Albion, Town of Fulton, Town of Milton, Town of Koshkonong and Town of Sumner.

The Rock River Safety Patrol (RRSP) is trying to obtain liability insurance for its officers under the state's liability program. In order to do this, state statues need to be amended and created to allow the officers to be included. Our Assembly Representative Andy Jorgensen has drafted a bill to address these issues.

The RRSP members would like to have the bill reviewed by an attorney and offer any suggestions for changes, etc. The Koshkonong Town Board has agreed to offer your services for this review and the fees would be shared by the 5 towns in the membership.

I have enclosed a copy of the draft. Can you please review and advise the RRSP on any issues or concerns. You can direct all correspondence or questions to me. Also, the Town's representative for the RRSP is Supervisor Curt Backlund and he can be reached at 920-397-0843. He has been very involved with Representative Jorgensen and understands this much better than I do.

Thank you for your assistance.

Sincerely,

Kim Cheney
Town Clerk
