Your File No. 12678.56886

Dear Mitch:

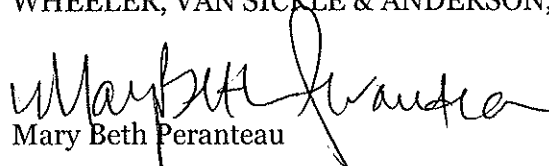

This is a response to your request dated June 16, 2015 for records of the Rock Koshkonong Lake District pertaining to the report entitled "An Assessment of Lakefront Property Values Based on a Decline in Water Levels: It's Impact on Values and Taxes." ("Kashian Report").

1. Attached are electronic files of all drafts of the Kashian Report in the possession of RKLD and its representatives. A presentation of results to be included in the Report was made at RKLD's November 2014 Board meeting by Dr. Matthew Winden. No drafts or other materials were distributed at that time.
2. Attached are the Minutes of the above-referenced Board meeting. Otherwise the District has no responsive records in its possession.
3. Attached are copies of email correspondence between the authors of the Kashian Report and officials or representatives of RKLD.
4. Attached are copies of email correspondence between RKLD Board members pertaining to the Kashian Report.

There is no charge for the referenced documents in electronic format. If you wish to have hard copies made, the charge will be 25 cents per page. Please advise if you would like copies. Thank you.

Very truly yours,

WHEELER, VAN SICKLE & ANDERSON, S.C.
