Salvo presented recommendations for the election process including extended voting times, postcard process for eligibility list, and procedures for ballots. No motion was made.

**INDIANFORD DAM REPORT:**

The requested modifications from the DNR have been made to the Emergency Action Plan by Rob Montgomery. The wicket gates are 100% open. An update for the DNR grant application will be available at the next meeting.

**LAKE MANAGEMENT:**

Salvo reviewed the general records retention schedule and requested it be adopted by the lake district. The schedule is the recommendation of the Wisconsin Historical Society.

A Jelinek/Sweeney motion to adopt the general records schedule for the lake district passed, all voted in favor.

Salvo discussed the options for retention including cloud, hard drive, or hard copy. Secretary Jelinek would like to see two medias used.

Proud gave an update on the open records request from Bill Burlingame. He plans to reach out to Attorney Danielle Thompson prior to responding to the request.

**LANDING AND LAKE ACCESS:** Treasurer Meyers recommended deferring the landing project until the Indianford Dam project has been completed. He feels there is too many unknowns in both projects to make both feasible at this time.

Bowers stated there are too few boat landings around the lake now to accommodate all. He reviewed options to improve the existing boat landing including replacing pavers with concrete sheets or completing the project in stages. The committee discussed purchasing options along with ownership issues.

**PUBLIC COMMENT:**

- Eric Richardson requested an update on the study and determination for the water level increase from the DNR. He requested that it be a discussion item on a future agenda. Sweeney has not heard any updates.

**COMMENTS FROM COMMISSIONERS:**

- Jim Bowers asked Chairperson Sweeney how the public participation emails were being distributed and received. Sweeney stated there was only one for this meeting and none at the April meeting. They are being forwarded to person as needed.

Being no other business before the board, a Jelinek/Shumaker motion to adjourn passed, all voted in favor.
