The boat-speed restriction on Lake Koshkonong and the Rock River from the Rock County line south to the Indianford Dam has been lifted, the sheriff's office announced Friday morning.

The slow, no-wake order was issued Nov. 8.

The order continues for the segment of the Rock River from the Indianford Dam south to Beloit-Rock Townline Road.

The orders are based on gauges on the river system. The Lake Koshkonong gauge on Friday registered 7.97 feet, below the 8-foot cutoff, according to a sheriff's office press release.

The river gauge at Afton was at 6.72 feet, still above the cutoff at 6.5 feet, according to the release.
