**NOTE:** Section 31.01(4), Wis. Stats., defines a municipality as any town, village, city, or county. Section 20.002(13) allows Tribes to also apply for these grants. Section 31.385(1m) allows public inland lake protection and rehabilitation district formed under ch. 33, Wis. Stats, to also apply.

We recommend that municipalities or lake districts name a position that is either an official or employee of the municipality/lake district. By naming a position instead of a specific person, a new resolution does not have to be submitted to the DNR with future grant applications or personnel changes. Contractors and consultants cannot be designated as an authorized representative. The resolution may not pass on grant responsibility to another group or organization.
