OWNER: Rock Koshkonong Lake District (hereinafter RKLD)

All potential bidders and employees of bidders must be trained and/or certified as defined and required by the Occupational Health and Safety Administration (hereinafter OSHA). All bids from contractors who fail to follow this requirement will be rejected.

All potential bidders and employees of bidders must be trained and/or certified as defined and required by the Occupational Health and Safety Administration (hereinafter OSHA) and shall be professional engineers registered under Wis. Stat. § 443.04. All bids from contractors who fail to follow these requirements will be rejected.

Base bids will be received as a single lump sum. Any bids that fail to list a lump sum will not be accepted. RKLD will identify and select the lower, qualified, responsible bidder.

Sealed bids will be accepted before the time indicated above.

The bidder is responsible for delivering the sealed bid to the location describe above, or by email by the deadline for bid submission above. Bidder has the sole responsibility for delivering bids by the deadline.

Once the lowest bid has been identified and selected, the RLKD will award the project to said lowest bidder at a meeting after the deadline. Successful Contractor shall provide applicable license and proof of insurance upon notification of award.

Generally, the work will consist of the following: Conducting an inspection of the Indianford Dam pursuant to Wis. Stat. §§ 31.19(2) and 31.19(4) using the checklist provided by the Wisconsin Department of Natural Resources (hereinafter DNR). The contractor will prepare a final Dam Inspection report complete with general upstream and downstream photographs of the dam as well as photographs of any deficiencies present. The contractor will also be responsible for obtaining any approvals of the DNR should they be necessary. All work shall be compliant with state, local, and environmental regulations.

The following specifications must be followed: State law relating to inspections of large dams covered in Wis. Stat. §§ 31.19(2) and 31.19(4). The Dam Inspection Checklist and Dam Inspection Photograph Instructions promulgated by the DNR. Please visit https://dnr.wisconsin.gov/topic/dams/inspections.html for additional information.

The following deadlines will apply after the award has been made: the inspection is to be prepared and ready to be transmitted to the DNR by October 15, 2024.
